It'll be fine. To be honest she has zero sense of battle...
Chikiro is getting beat up!
She gets stronger somehow the more she is beaten up!!
What is she a mollusk?
Stop attacking my breasts!
Her sports bra is gradually starting to fall off! This is strangely suspenseful!
Awesome! She's taking all that like a champ!

Oh no! This is bad! She got caught in a judo hold!
Even she won't be able to endure that!
Chikiro! Don't let her finish it!
Find a way to roll out and run away!!
She'll be alright! I prepared something for such an event!
Ouch! Ouch! Ouch!
Huh?

I don't get it but that must be your own unique fighting style!
Good going, Chikiro! Didn't think you would counter with a move while running away!!
Got it!!
My power...
Now awaken you hidden power!
Die bitch!!
Eh!? Argh!! She already countered my counter!!
It'll make her speechless!
Sorry for the wait! With this she won't be able to do any more Judo holds!!
Be careful! Your breasts are about to pop out!!
